RE: LCP Chemicals, Inc. Superfund Site (USEPA ID# NJD079303020)
RI/FS AOC, Index No. II-CERCLA-02-99-2015
Bill for Collection No. 2721526S0061
EFT Date & Amount: October 22, 2015; \$27,001.01

Dear Mr. Gorin:

Ashland Inc., on behalf of ISP Environmental Services, Inc. ("IES"), writes in response to the above referenced matter and to advise the United States Environmental Protection Agency ("USEPA" or the "Agency") that the referenced oversight costs (\$27,001.01) wire transfer was sent to the Federal Reserve Bank of New York on October 22, 2015. As you know, the Remedial Investigation/Feasibility Study ("RI/FS") under the referenced Administrative Order on Consent ("AOC") was completed in August 2013, when the United States Environmental Protection Agency ("USEPA" or the "Agency") approved the Remedial Investigation Report (RIR), Human Health Risk Assessment (HHRA), Baseline Ecological Risk Assessment (BERA), and Feasibility Study (FS).

As no further work is required under the AOC, on July 22, 2015, IES's consultant, Cornerstone Environmental, sent you the final progress report in satisfaction of IES's requirements under the AOC and further advised the Agency that the final progress report would also serve as the termination report under the AOC. As all requirements of the AOC have been completed and approved, Ashland requests that USEPA provide it with a final invoice for all RI/FS oversight costs through July 22, 2015. Upon receipt and payment of same, IES will have satisfied all of its payment obligations to the Agency under the AOC.

Please be reminded that while Ashland Inc. is making this payment on behalf of IES that IES continues to advise that IES is not the successor to GAF and did not assume any of GAF's responsibility for the LCP site and that our payment is not to be construed as an acceptance or acknowledgement of liability for the remedial design or future remediation work at the site.

We look forward to receipt of the final oversight invoice, which shall be submitted for prompt payment to the Agency. If you have any questions or comments, please do not hesitate to contact me.

Sincerely,
